SUBJECT: New Exhaust Manifolds

For your information, new exhaust manifolds are now being used on the F 430 and the F 430 Spider. The new manifolds feature improved welds to help prevent any rattles or excessive noises.

- IMPORTANT -

For all vehicles from the beginning of production up to Assembly No. 77948, if the vehicle needs one exhaust manifold, you must replace both manifolds with the newer style.

For this purpose there are specific kits listed below that must be ordered. After the newer style are installed, individual parts can be used for future repairs.

Kit 1 - New exhaust manifolds - F430

Part No. **70001347**,

- Valid from beginning of production, up to Assembly no. 74556,
- Valid up to M.Y. 2008,

Parts contained in the kit:

RH exhaust manifold	Part no. 247595	Qty 1
LH exhaust manifold	Part no. 247596	Qty 1
Gasket	Part no. 211404	Qty 2
Gasket	Part no. 154985	Qty 2

Kit 2 - New exhaust manifolds - F430,

Part No. **70001346**,

- Valid starting from Assembly no. 74557,
- Valid starting from M.Y. 2008,

Parts contained in the kit:

RH exhaust manifold	Part no. 247593	Qty 1
LH exhaust manifold	Part no. 247594	Qty 1
Gasket	Part no. 211404	Qty 2
Gasket	Part no. 154985	Qty 2

Only the newer style manifolds will be supplied from the parts dept. The old and new manifolds cannot be used together.

Any stock of the older manifolds must be returned to the FNA Parts Dept. following the standard parts return procedures.
